Some important information:

- Submitting an application does not obligate you to do a lease.
- A lease is a contract to use an item over a period of 12 or more months. It is a financing arrangement. Once a lease is signed, the lessee has agreed to make the payments over the number of months indicated. The artwork cannot be returned and the lease cannot be ended unless it is paid out.
- Lessees are responsible for insurance of art leased.
- The first lease payment is due one month after the lease is signed and the gallery is paid for the art.
- Lease payments are by pre-authorized payments through your bank.

To apply for approval of a lease-to-purchase art lease, complete and return this application. We will get back to you within one business day. Thank you.
